THOUGHTS FROM THE PRESIDENT

It's a "New Year" in the life of Rotary and our "Eve" celebration at last week's meeting was a wonderful party! Our club applauded outgoing officers especially outgoing president Jerry and welcomed me, Eme (with an E) as the new, president and the new officers which pretty much....are the same as last year. The 2009-2010 officers are as follows

John Toepp-Secretary (he has been for many years, thankfully)

John Conlon-Treasurer for most of the year except when in FL.

Jerry Hunt-Treasurer when John is in Florida

John Conlon-Foundation Chair

Fred Bettner-Membership Chair

Kane Brolin-President Elect

Emee G. Miller-President

We had such a full agenda this past week. It was exhilarating. Jerry announced Fred Bettner received the Fischgrund Award from the Downtown Club. Huge honor and well deserved. Blake, the recipient of the South Gateway Rotary College Scholarship and her mother came to address the club with many thanks. Officers were sworn in and much appreciated thanks were given to Jerry. He was a wonderful leader and to top it off.... Leigh Holland from Xavier School of Excellence (up the street from The Landing) spoke about the new charter school. All done in an hour's time!

Okay...now for the New Year....we need to get "fired up" about the "Corn Roast" August 28, Friday, Potowatomi Park, Pavilion I. Volunteers are needed in every aspect of the event. The most pressing is having someone design a flier. The "Roast" is promoting Polio Plus and South Gateway. Please contact me if you can design the flier.

Great news on roasting the corn. The Landing has volunteered to bake all the corn! Now we just need to find a low cost or no cost supplier. If you have an "in" with a farmer let us know.

We are off to a running start in our club's new year. Have a "blast" on the 4th. See you on the 7th!

In Rotary,
Emee
