Notes from Emee

I'm sitting in my air conditioned home welcoming the official arrival of August; sunny, hot and humid. The tomatoes growing in my garden are thrilled to have a true August so that they can do what they do best, turn red on the vine. Our club is also doing what it does best, supporting our community by being informed of local and national issues by guest speakers and of course, by raising funds to support international and local projects.

Please continue to advertise "The Corn Roast" and sell all your tickets.

Having people attend will be crucial for the success of the roast and though the shelters in town would appreciate a donation, I think 600 or so ears of corn is a bit overwhelming.

Remember, The Roast is promoting Rotary International's commitment to the eradication of Polio, but the funds raised at the event will also support local projects, one of which is the Leighton matching grant campaign of the St. Joseph County Public Library.

Should you need more tickets please contact Nikki Hutchinson at 286-5123. She will be able to arrange delivery of additional tickets.

Hope you continue to enjoy the balmy weather. See you on Tuesday.

Paul White Still Needs Our Help

“I have a small project at the Military Honor Park at the entrance to the airport. They need some shelves and chair racks installed. I think with 3 or 4 people we could do this in about 2-3 hours. I was thinking of doing it Saturday, August 15 at 9 AM. If you can help, see me at the meeting or call me at 289-9797.”
