 Service Above Self

Week of
 Oct. 22
 2009

BE THERE!

Be where? At tomorrow's meeting of course! What so special about tomorrow's meeting? Our club's exchange student, Karina Benova from the nation of Slovakia will be the presenter. She has a wonderful power point presentation ready that will show you some beautiful scenery, places of interest, facts about her nation and photos of her family and where she lives.

It is also her birthday—well, close anyway. She will be 18 on November 1 and that event will be celebrated at tomorrow's meeting.

And third but not last—Karina's second host family has stepped forward to host her for four months beginning the second week of January, 2010. Dr. George Mighion, a dentist whose practice is located at 3420 Hickory Road in Mishawaka is married to Christine who is a jewelry artist. They have a girl and a boy; the girl is Cheyene, age 13 and the boy is Athen, age 6. George is a lifetime resident of the Southside, graduated from Marion High School and from the IU Dental School. Christine is also a dental hygienist having graduated from the IUSB School of Dental Hygienics. Karina will continue her year at Riley High School and has been trying out for

both the swim team and the basketball team.

Please be there tomorrow to help support our Exchange Student.
